Class of 2019,

Ever since we were children, we have all been told to shoot for the stars, whether it was for our dream college or hopeful career. With this mindset, we have matured as a class all the way from the last Eighth Grade Cruise to countless Friday night football games under the bright lights.

As we mature and grow, we reminisce on our journey together from our elementary schools—MME, Osterville, Hyannis East/ West, Centerville, or BWB—to coming together as a class right here at BHS. We have experienced many obstacles in our high school careers, but we have developed and adjusted into the next generation of successors. As a class have hosted fund raisers, organized the Lip Sync Battle, started out our senior year with a heat wave, and collectively fought for new white lanyards. The Inauguration of Donald Trump, the renovation of the library and the athletic field, along with the March For Our Lives Campaign have all unfolded before our eyes.

Through countless Spirit Weeks and cookie sales on Fridays, the last five years of our lives have really connected us into one big family, and we could not have done it without the shining guidance of our mentors and peers. As you flip through these pages, you will watch us start off with a big bang, and progress through space until we are looking out among the stars. No matter where your journey is headed, the celestial beacons of light are always there to guide you in the right direction. Wishing you the best, class of 2019!

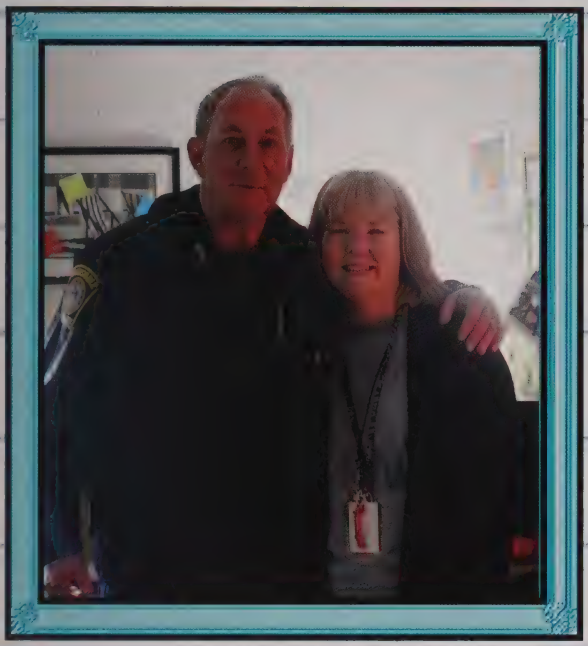
TEACHER APPRECIATION GAME

Farewell To....

Reid & Leslie Hall



We are sad to say farewell to this power couple: The Halls.

We've been fortunate to have Detective Hall assigned as the school resource officer to Barnstable High School since 2006. One of his many responsibilities is teaching the Student Police Academy classes, which meet every day. Mr. Hall loves teaching these classes and will miss it greatly.

Mr. Hall's other half, Leslie, will be remembered for her strength and for taking part in The Kindness Rock Project, a task that brought her happiness, along with the students of Barnstable. We wish these two a happy retirement together!

Jean Kelley

After 35 years, Jean Kelley, a helping hand in House A, has retired as of December 2018. Jean has always been there for any student with a need, whether it be emotional support, transcripts, or guidance.

She is a dedicated individual coming in early and leaving late every day to ensure that everything is in order and everyone has what they need.

Mr. Currey and Mr. Skirvan will miss her presence in the 1700s. Wishing you peace and happiness as you embark on this journey, Mrs. Kelley. Thank you for all you've done.

Goodbye Childhood

We will always remember the overwhelming feeling of excitement as we walked into our favorite place, where toys covered every shelf and bright colors filled every inch. The store that we all knew and loved as children came to an end on June 29, 2018 due to an influx of online shopping. Toys R Us made its debut 70 years ago, in April of 1978. The store was founded by Charles Lazarus, and first opened in Washington D.C. When the store first opened it was originally known as "Children's Supermarket", but became known as the "Toys R Us" that we all know and love in 1957. The store became a huge part of childhoods throughout the nation, and will always have a place in our hearts. In honor of the place that shaped our childhoods never let the memories of the store die, and always remember to play on.

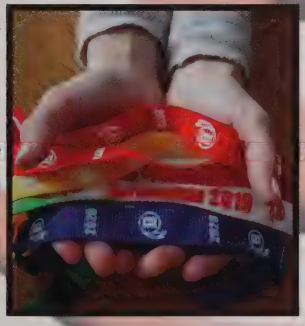
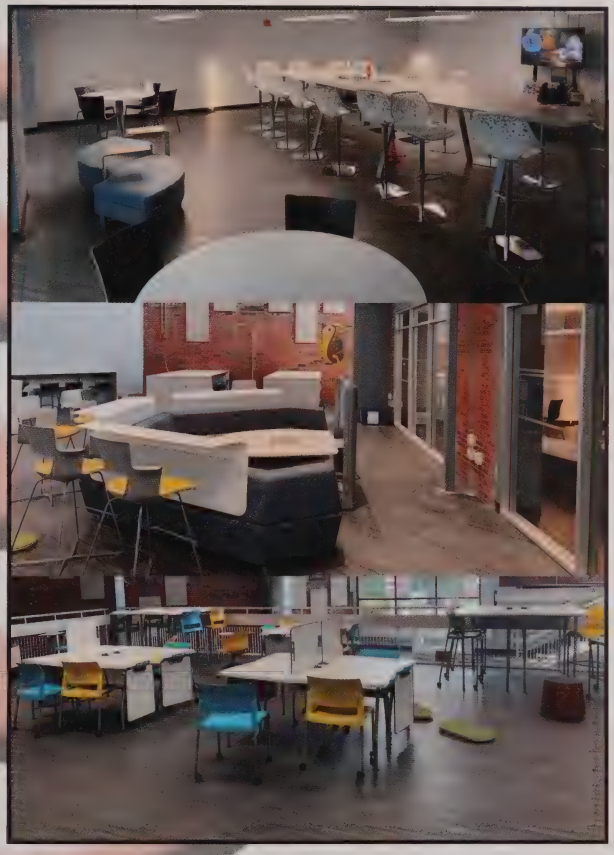
Time Change

Over the summer, rumors spread that not only the schedule was changing, but the time of each class as well. A seventh block was added to offer more options to students in order to appeal to our varying interests. Unfortunately, minutes were shaved off of passing time, lunch, and each class, leaving many overwhelmed and stressed. Even with the peaceful chimes, students are struggling to remain sane with this hectic schedule.

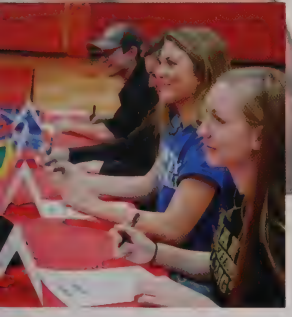
Where's your Lanyard?

The year of 2018-19 was the year that lanyards were introduced to the school. Even though they can be somewhat irritating, we feel safe knowing that these lanyards insure our well-being. Classes were assigned their own color; however, when seniors received orange, they were a bit "salty". Thanks to our class officers, the school resolved the issue by giving seniors white lanyards. What a relief!





Signing Day



Four student athletes: Ryan Proto, Carly Whiteside, Ingrid Murphy, and Riley James committed to schools they will be attending in fall of 2019. Ryan committed for baseball, Carly for basketball, and both Ingrid and Riley for volleyball. We wish you all the best!

New Library

The school received donations to renovate the outdated BHS library. The construction started in spring of 2018 and ended January 2019. Students, as well as faculty, are excited about the change to a more modern college-like appeal.

Class of 2019

LIGHTS, CAMERA

What is your favorite/most memorable role you've played to this day?

Sonny Latierri in Grease. It was an amazing show, and I bonded really well with everyone in the cast. Sonny was really funny, so making the audience laugh every night was great.

Iago DeSouza, Theatre

Are you picking a college major based in music? If so, what is it?

I am planning on double majoring in vocal performance and music education. I love to teach music just as equally as I love performing. So, it was very important to apply to colleges that offer those degrees.

Nikita Schley, Music

At what age did you realize you wanted to pursue music? What influenced that?

I was around 13 years old when I realized this is what I wanted to do. I started playing bass guitar in 7th or 8th grade, and I instantly fell in love with it.

Gianna Pollock, Music

What is your all time favorite play and why?

Little Shop of Horrors. Music slaps. These were my favorite because there are good memories attached to it.

Lindsay Massarsky, Theatre

What is the most memorable response you have received about your work?

I gifted my grandfather a painting for Christmas that brought him to tears. While I intended to pursue the arts as a way to make a purposeful contribution to the world around me, and don't intend to be an artist, per say, little moments like that reveal the personal nature of the craft, which has the most impact on people, and has made it so special for me.

Madelyn Murphy, Art

What is the most memorable response you've received about your work?

I felt honored when The Cape Cod Art Association wanted me to mass produce a painting I did. They ended up selling them for $200 each.

Brianna Greenan, Art

. . . ARTS!

Where and/or when did you realize your love for art?

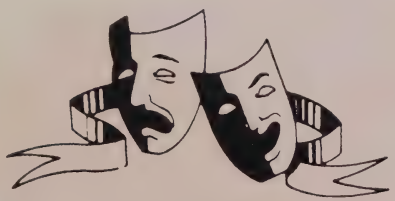
Freshmen year I took ceramics looking to earn an art credit and I was hooked. Then, I continued to take it despite me being the only senior to complete all four years. Art is a way for me to express my feelings and thoughts.

Desiree Anderson, Art

What is the most embarrassing thing that has happened to you on stage?

Once during High School Musical my microphone went out, and I had to poorly belt my solo.

Emma Wannie, Theatre



Who is your biggest musical inspiration?

I cant just pick one... so here's three. My three biggest musical inspirations are Green Day, The Beatles, and my dad.

Eddie Donnovan, Music

Are you picking a college major based in music? If so, what is it?

Yes, I will be going to Berklee College of Music studying either contemporary writing and production or film scoring.

Liv Cooper, Music

What is your preferred medium to use?

I enjoy all mediums. For my actual paintings, I prefer acrylic paint. When I'm doing makeup, I use many different kinds. Fx work and face painting requires a variation from cream paints to lipsticks to eye shadow.

Charity Marino, Art

What is your all time favorite play and why?

Hairspray because it promotes a message of inclusivity and tolerance for all types of people. Also, the music is amazing and I would chop off my right arm to play Tracy Turnblad.

Julia Wiseman, Theatre

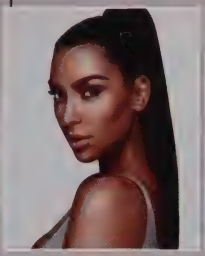
Fashion Trends Through Our High School Years.

Space Buns

Do you want an out of this world hair style? Tease, twist, and, twirl your hair up into space buns. Kendall Jenner is pictured rocking these double buns at the notorious music festival, "Coachella".

The Queen of Contour, Kim kardashian West, slays the make up game with her new cosmetic line, "KKW Beauty".

Contour



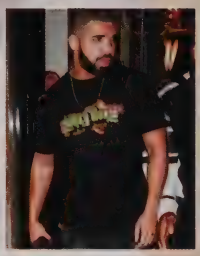
Beanies

When the air becomes crisp in the winter, catch us outside wearing our Supreme beanies. We are true "Beliebers" in this stylish winter staple.

Hailey Baldwin models gold hoops at a red carpet event in LA. A timeless trend throughout the years.

Hoops

Graphic Tees



Graphic tees are a way to express yourself and what you love. Rap and hip hop icon, Drake, sports a black tee with orange and yellow graphics.

Throw some shade while showing off cat eye shaped sunglasses. Runway model, Gigi Hadid struts down the streets of NYC in her white pair of shades.

Ripped Jeans

Ripped your jeans? No problem, it's in! Kourtney Kardashian flaunts ripped jeans while strolling in Beverly Hills.

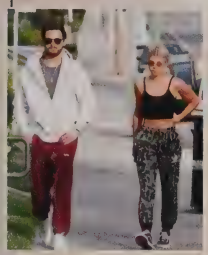
Athleisure Wear

Want to hit the gym and then grab a bite, or at least look like you did? Athlesiure wear is your answer: sculpted leggings, form fitting sweatshirts, and joggers are beyond trendy.



Delia Teague

Khakis

Classic khakis have been a staple in male wardrobes throughout several generations and still are. Zac Efron takes a leisurely walk in his tan khakis.

Trey Kneller

Fur Coats

Every year when the temperature drops, all of the girls throw on their fur coats or vests. Ranging in all different colors and prints. Cheetah fur coats have become a fierce, popular look for many.

Madeline Hardy

Platform Shoes/Vans

Everyone in Barnstable High School has been wearing platform shoes or sneakers to add an elevated edge to their look. For every student, Vans have been the way to kick it.

Nicole Leblanc

Thigh High Boots

Thigh high boots have been a craze throughout our four years, specifically in the color black. Kourtney Kardashian proudly wears her thigh highs, paired with a sweatshirt dress.

To the 2019 Class;

Seniors,

I can't believe this is it! After five years together it is time for me to say goodbye. Being your class adviser has been an experience I'll never forget. I have watched you all mature into the wonderful people you are today who I believe will do amazing things. I will always remember: our yearly drama over class elections, pen pals at BUES, lunches in the cafe, all the senior events, our failed drone picture and especially, your smiles in the hallway. These halls will be different for me next year without you and I will miss you all so much. I hope you have enjoyed this time together as much as I have. Greatest of luck wherever your path takes you. I'll be keeping in touch.

Love, Ms. Vazquez

To the best TGA ever: Flora, Iago, Raye, Tatiana, Lycia, Max, Rylan, Trey, Paige, Maria, Joe, Taylor, Breann, and Bruna. I couldn't have asked for a better group of students. Each and every one of you is so special and gifted in your own way. I can't wait to see where life takes you, remember to always be yourself and never sacrifice your individuality. 2710 Represent!

- Mrs. O'Connor-Vince

To the peer leaders of the class of 2019. Thank you for making BHS a more respectful place to learn each day. We will miss your caring ways and your humor too. Now, go conquer the world.

Yours truly,

Swindler and Fliggy

My Seniors! You have blessed me greatly and you have made me a better teacher... whether it was during my time in ALP with you or back downstairs these last 3 years. I am eternally grateful for our time together here at BHS. Please do not be strangers and come visit. I pray that in some small way you have been blessed by our time together as well. Always remember and believe... "Mrs. Peek loves me!"

- Mrs. Peek

To the Senior Cheerleaders- Ariana, Asia, Emma, Tanaya, Kate Rose, & Kalyani:
As one of your coaches since your Freshman year, and having had several of you on my own J.V. squad, I have to say how PROUD I am of the amazing young women the six of you have become. You are beautiful, strong, smart, and talented. Always remember that, and continue to be UNSTOPPABLE.

With Luck & Love,

Coach Kylee

Peace out, 2707! Thanks for the memories.

- Mr. McLaughlin

BHSFH18: Ali, Julia, Eve, Gabby, Hannah, Nick, Maya, Caroline - thank you for all you brought to BHS field hockey over the years. Can't wait to see where the world takes you all, good luck as you continue the adventure! We love you!
- Coach Bish

To the Class of 201[illegible] It has been very special for me to be a co-advisor this year. You were freshman when I started teaching at BHS. It's been so great watching you mature over the past 4 years. The best of luck to all of you. May your future be full of happiness, love, laughs and dreams come true.
- Mrs. Lomax

Congratulations 2019 graduates! Whether our paths crossed in Understanding Diversity, AP Lang or Insight, my life is richer for knowing you. I wish you all the best as you begin this new chapter.
- Ms. Netto

Congratulations Joseph! I am so happy that I started working at BHS in time to see you finish off your Senior Year! Love seeing you everyday and I am so proud of you!
Love, Mom!

To the yearbook ladies, my 2015 freshmen, and my juniors from last year:
Thank you for filling each classroom with kindness, humor, and knowledge. YOU are the reason I love coming to work every day. Go forth and make your mark on this world. In the words of Michael Scott, "catch you on the flippity flip"
xo Mrs. Whidden

To Ryan, James, Hayden, and Eddie - my office will be so lonely without you! Best of luck to you all - I'll miss you!
- Nicola

2019 Astro Junkies!
Spending quality time with you discovering the cosmos, pondering celestial objects, sharing the nighttime sky at Star Parties at Sandy Neck and BWB, enjoying field trips to Radcliffe and Hartford, imaging deep sky objects robotically under New Mexico skies, and, most importantly, just getting to know each one of you, has truly been an honor. Thank you for sharing your enthusiasm and your willingness to work on becoming "the best version of yourself." Because the only constant in the universe is change, welcome it into your life. In doing so, find balance, and take care of yourself, so you can take care of others along the way on your life journey. We will miss you. Clear skies forever!
- M & M Gyra

Mornin'. Welcome to the adult world. 2 fingers!
- Mr. Taylor

Here a star trail is depicted, showing the movement of the stars through the night sky. Similar to these stars, we will move on to our next phase of our lives.
